Meeting Agendas

- Decide a web framework

Issues

- Decide a web framework

    - Survey candidates to decide the web framework for the term project.
    - Requirements
        * 要是 Web framework
        * 八個人每人 10000 行，大約 80000 行
    - Criteria
    - 語言
        * Java
            · 看 Java 的 framework 就不用上課學一套語言，project 又要學一套語言
        * Python
            · 大家都對 Python 比較熟
        * 語言的 popularity
    - 行數
        * 算行數工具
        * 各大主流语言 web 框架代码行数对比
    - Popularity
        * 17 Popular Java Frameworks - 2019 edition
            · 有些不是 Web framework
    - Candidates for study only: Grails, Web2py, Nutch
    - Candidates for rewriting into another language: DropWizard
    - Need to check if Nutch is a web framework or not.
